👨‍🍳 TEAM TASKS BREAKDOWN

Group 1 – Dal Team

- • Wash and soak lentils briefly (10–15 min if time allows)
- • Sauté onion, garlic, ginger, and spices in oil
- • Add carrots, lentils, water, coconut milk, and cook in pressure cooker (~20 min)
- • Simmer uncovered if needed to adjust thickness

Group 2 – Buckwheat Team

- • Rinse buckwheat thoroughly
- • Boil with water, salt, and oil until soft (about 15–20 min)
- • Fluff and mix in fresh chopped herbs before serving

Group 3 – Raita Team

- • Dice or grate cucumber and tomatoes
- • Mix with lemon juice, garlic, salt, and herbs
- • Add coconut milk if using, chill before serving

🕒 SUGGESTED TIME PLAN (1h 45 total)

00:00–00:15 — Divide into teams, gather ingredients/tools

00:15–00:30 — Prep veggies and soak lentils

00:30–00:40 — Start dal base, sauté onions/spices

00:40–01:10 — Pressure cook dal

00:30–00:50 — Boil buckwheat, prepare herbs

00:50–01:15 — Fluff buckwheat, chop raita ingredients

01:15–01:30 — Adjust dal and raita seasoning

01:30–01:45 — Final touches, plate, and serve

✅ NOTES

- • Adjust dal texture with extra water or simmering time.
- • Add coconut milk toward the end to preserve flavor.
- • Raita can be kept chilled or room temperature depending on weather.
